Introducing the GBP713TCK... Trailer and Cab Kit

Choose GAGE BILTS' blind rivet and lockbolt installation kit designed especially for Truck and Trailer OEM's. The GBP713TCK can be configured to meet your needs, whether you're fixing Wabash, Great Dane, Peterbilt, Kenworth or any other brand trailer or truck. The kit includes nose assemblies to pull your fasteners, and at the heart of the system is our heavy-duty GBP713C installation tool. All of this is conveniently stored in a metal tool case.

Get a look at the back of this page and select your fasteners. This kit can be equipped with the noses you require. The basic GBP713TCK kit comes with a nose and 2 tips to install 3/16" and 1/4" structural blind rivets in any material, a catcher bag for pintails, a 3/16" nose for the stainless steel grill bolt, and a 3/16" & 1/4" Magna-Grip® nose for the hood and cab. If you want to make sure you've got all your bases covered order the GBP713TCKE. It contains all noses
